

GLOBAL ENVIRONMENTAL GOVERNANCE PROJECT

Individual Commitment

My vision is to see increased awareness and debate of global environmental governance reform process among academic community and journalists in East Africa. I commit to undertake the following activities:

Promote public awareness of Global Environmental Governance (GEG) Issues and Reform process in Kenya using electronic and print media

Proposed action:

1. Co-ordinate four (4) live television interviews on GEG for the “Eco-Show” , a weekly environmental program of the Kenya Broadcasting Corporation (KBC) Television

Produce a publication on strengthening science-policy interface for biodiversity management aspect of GEG

Proposed action:

2. Publish an article on the Intergovernmental Platform on Biodiversity and Ecosystem Services (IPBES) process as a contribution towards CoP 10 of the Convention of Biological Diversity (CBD) in 2010.

Prepare lectures and presentations on GEG to University students in Kenya and Canada

Proposed actions:

3. Prepare and deliver a lecture on GEG to students at Egerton University, Kenya
4. Prepare a GEG lecture for a graduate course on Environmental Policy at the McGill School of Environment (MSE), Canada
